Aloha!

We cordially invite you to Aloha Medical Mission's 2017 benefit concert, to be held at the historic Hawaii Theatre Center on Friday, November 3rd at 7:00 pm. Our Broadway-style musical, ***Aloha On A Mission***, offers a heartwarming story about saving lives and bringing hope, with live musical performances held in one of our island's most treasured concert venues.

We are raising funds to support the Aloha Medical Mission's free dental clinic and its worldly missions overseas. Founded in 1983, the Aloha Medical Mission began its **overseas missions** providing free health care to underserved communities in the Philippines, and has since branched out to over 30 countries across the Pacific, including Asia and South America. Locally, Aloha Medical Mission runs the **only free dental clinic** on Oahu. We provide basic dental care to more than 1,500 patients annually – *free of charge*.

Our honorary chairs for this event are **Mike Gold**, CEO of HMSA; **Mark Yamakawa**, President and CEO of HDS; and **Connie Lau**, President and CEO of HEI. And we will be presenting lifetime achievement awards to six of Aloha Medical Mission's longest-serving volunteers: **Dr. Bradley Wong; Dr. Kerry Ishihara; Dr. Craig Thomas; Susan Scott, RN; Mrs. Colleen Minami; and Mrs. Lynn Watanabe.**

Our concert's local performers will include members of the medical profession, and will star **Honolulu Broadway Babies** and **Kristian Lei**, who has performed in several international productions, including the lead role in *Miss Saigon*.

Please find attached our event flyer and sponsorship form. Premiere seating is currently reserved for our event sponsors. To purchase individual tickets, visit <http://www.hawaii theatre.com/events/aloha-on-a-mission/>.

If you have any comments or questions, please contact our executive director, Toni Muranaka, at (808) 847-3411 or toni.muranaka@alohamedicalmission.org. We look forward to hearing from you.

With aloha and gratitude,
